

Let's Grow 2025

LG PROGRAM FOR 4TH GRADERS

Last year presentations were made to over 1600 students in more than 70 classrooms. We welcome your help to fulfill the expected increased number of class requests for the upcoming season.

Did you enjoy "Show & Tell" ?
Do you have fun with kids?

If you answered yes, the Let's Grow Program may be for you.

New Volunteers attend a LG orientation to review the basics of program.

Returning and New LG volunteers are required to attend a training session to learn of updated materials and plans for expanding the Let's Grow program.

Optional Materials Organization session prepares kits used in the classrooms.
